

# Avrios - The importance of a welcome experience

“

Great support and guidance

Nicolo, *Avrios Employee*

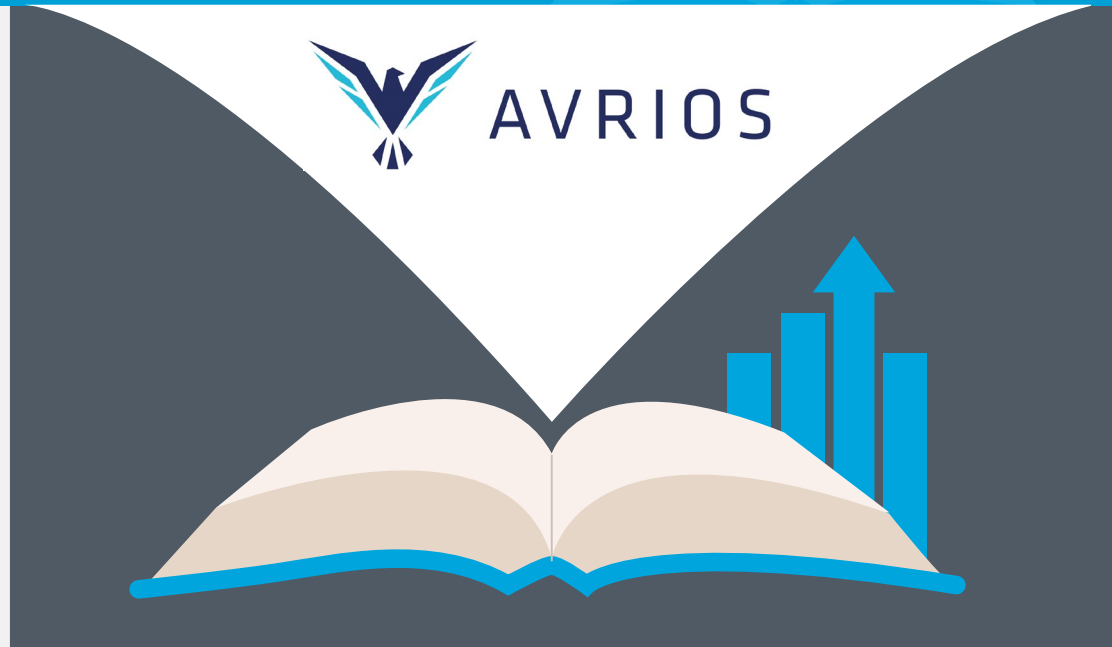

”

“

Took a lot of stress off my plate

Bloom, *Avrios Employee*

”

With over 500 clients, including market leaders in sports goods, FMCG, pharma, consulting and machine manufacturing, Avrios is one of the fastest growing companies in the field of fleet management.

Avrios takes pride in its multicultural mix, which is compiled by more than 22 nationalities, and prioritizes giving their new recruits a warm welcome that will make them all feel at home.

Fostering an open and progressive culture, combined with advances engineering and a creative approach to marketing and sales - Avrios partnered with Benivo to enhance the welcome experience it provides new starters coming from abroad.

## Provide an outstanding welcome experience

### Challenge

Giving new recruits high level of attention and support to ensure they feel welcome even before they join requires substantial resources.

### Solution

Benivo steps in and provides the welcome experience as an extension of Avrios to ensure every employee feels welcome.

“

Benivo provided us an additional layer of support for our new recruits that didn't exist before. The feedback was brilliant

”

*Wouter Hendriks, People Operations*

## Hit the ground running

### Challenge

50% of new starters come from outside of Switzerland and struggle with settling in.

### Solution

Benivo helps employees start their relocation process before their arrival to help them hit the ground running on day one.

“

The Benivo platform has all the key tasks anyone moving here should know. This gives them a clear overview of what they should expect

”

*Wouter Hendriks, People Operations*

## Navigate through a challenging market

### Challenge

Zurich has a very competitive rental market with average prices being much higher than in other countries.

### Solution

Benivo supports employees with hyperlocal insights from their colleagues about the local market.

“

Benivo's collected insights made a huge impact on employees' stress levels

”

*Wouter Hendriks, People Operations*

We help you make all employees welcome
